The future always belongs to those who believe in the beauty of their dreams. I have a dream for a better, brighter, safer, more meaningful Hawaii. I also have a dream for a responsible government of the people, by the people, that is willing to see that our objective should not only be prosperity in our time, but prosperity for all time for not just us, but our ohana, our keiki, and our keiki's keki. I am running for office because I want to serve the people of Hawaii with faithfulness, loyalty, and courage, that we might fulfill our State's proud seal – Ua mau ke ea o ka aina I ka pono – the life of the land is perpetuated in righteousness. I humbly ask the people of District 40 to elect me that I may swiftly fulfill these words and bring honor back to our land.
